Brasso Metal Polish - 1L

Variant code: 06-302

Brasso Liquid Metal Polish is a versatile **metal cleaning and polishing solution** designed to remove tarnish, dirt and surface discolouration from brass, copper, pewter and chrome. Its effective liquid formula helps restore the natural shine of dull metal surfaces, leaving them looking clean, bright and polished.

Combining a **mild solvent with a fine abrasive**, Brasso works to lift tarnish and gently polish suitable metal surfaces. The polishing action can also help reduce the appearance of light surface marks and minor scratches, improving the overall finish when used correctly.

Available in **175ml and 1L sizes**, this ready-to-use liquid polish is suitable for household and professional maintenance. Its straightforward application makes it a practical choice for regularly cleaning and restoring decorative metalwork, fittings and accessories.

Product Features

- **Multi-purpose metal polish** for various surfaces.
- **Suitable for brass, copper, pewter and chrome**.
- **Fine abrasive formula** helps remove tarnish.
- **Mild solvent action** assists surface cleaning.
- **Restores shine** to dull metalwork.

- **Brand:** Brasso
- **Available Sizes:** 175ml and 1L
- **Form:** Liquid
- **Formulation:** Mild Solvent with Fine Abrasive
- **Suitable Metals:** Brass, Copper, Pewter and Chrome
- **Primary Function:** Cleaning and Polishing
- **Finish:** Bright, Polished Shine
- **Application Method:** Soft Cloth
- **Dilution:** Not Required
- **Preparation:** Shake Well Before Use

Applications

Ideal for **brass ornaments, copperware, pewter items, chrome fittings and decorative metalwork** in domestic, commercial and hospitality environments.

Directions for Use: Shake well before use. Apply a small amount to a soft cloth and rub gently in circular motions. Leave for a few minutes, then buff thoroughly with a clean, dry, soft cloth to restore shine. Repeat carefully where necessary.

Important: Test on an inconspicuous area before use. Avoid delicate, coated or easily scratched surfaces unless suitability has been confirmed.

Property	Value
Appearance	Viscous liquid
Fragrance	Ammononical
CLP	flammable, irritant
Chemical Colour	Brown
Pack Size	1L
