Exel Revolution Mop Head Large - 350g - Red

Variant code: 15-RM35R

Exel Revolution Mop Head - Large - 350g is a **hardwearing professional mop head** designed for effective wet floor cleaning. Made from a unique blend of **recycled cotton and polyester yarns**, it combines excellent absorbency with improved strength and durability for demanding commercial cleaning environments.

The **circular mop head** features an integrated **stayflat band** that maintains its shape and spreads the yarn across a larger floor area. Its **looped-end yarn construction** helps prevent linting and tangling during use, supporting efficient cleaning and consistent floor coverage.

Featuring an **Exel push-fit socket**, the mop attaches to compatible handles for convenient everyday use. Its **colour-coded design** supports hygiene procedures, while the washable construction makes it a practical choice for regular professional floor maintenance.

Product Features

- **350g large mop head** for wet floor cleaning.
- **Recycled cotton and polyester blend** for strength and absorbency.
- **Circular design** for wider floor coverage.
- **Stayflat band** maintains mop shape.
- **Looped-end yarn** reduces linting and tangling.
- **Exel push-fit socket** for compatible handles.
- **Colour-coded options** support hygiene procedures.
- **Launderable up to 60°C** for repeated use.

Product Benefits

- **Excellent absorbency** supports effective wet mopping.
- **Durable yarn blend** withstands regular cleaning.
- **Wider cleaning coverage** improves efficiency.
- **Reduced linting** helps maintain cleaner floors.

- **Push-fit attachment** simplifies mop replacement.
- **Reusable construction** helps reduce replacement frequency.

Technical Characteristics

- **Product Type:** Looped End Socket Mop
- **Range:** Exel Revolution
- **Size:** Large
- **Mop Weight:** 350g
- **Yarn Material:** Recycled Cotton and Polyester
- **Yarn Construction:** Looped End
- **Mop Shape:** Circular
- **Band Type:** Stayflat
- **Socket Type:** Exel Push-Fit
- **Handle Compatibility:** Exel, Hygiene and Suitable Wooden Handles
- **Colour Coding:** Yes
- **Maximum Laundering Temperature:** 60°C
- **Expected Washes:** Around 80, Depending on Usage Conditions
- **Cleaning Method:** Wet Mopping

Applications

Ideal for **schools, hospitals, care homes, offices, hotels, retail premises and commercial cleaning environments** requiring reliable wet floor maintenance. Suitable for cleaning washable hard floors using appropriate cleaning solutions and compatible mop handles.

Laundering and Care: These mops are launderable up to 60°C. Depending on the chemicals used and the surfaces these mops are used to clean, the mop heads should wash around 80 times.

After use, launder as required and allow the mop head to dry thoroughly before storage.
