SC Johnson Deb Cutan® - Foam Hand Wash - Case of 6 x 1L

Variant code: 10-CUF39P

SC Johnson Deb Cutan® Foam Hand Wash is a professional foam cleansing solution designed to provide **gentle and effective everyday hand washing** in commercial and workplace washroom environments. The mild foaming washing lotion delivers reliable cleansing performance while helping maintain skin comfort during frequent daily use.

The rich foam formulation creates a smooth cleansing lather that effectively removes everyday dirt and contamination while remaining mild on the skin. Designed for regular hand washing applications, the product supports good hygiene practices in busy professional environments where dependable hand cleansing is essential.

Its foam delivery system helps provide controlled product usage and thorough hand coverage, supporting economical operation in high-traffic washrooms. The formulation is suitable for frequent use throughout the working day and helps leave hands feeling clean and refreshed after washing.

Supplied as a **case of 6 x 1L cartridges**, the product is ideal for healthcare facilities, offices, schools, commercial workplaces and public washrooms requiring professional foam hand cleansing solutions with efficient dispensing performance.
