Truvox Multiwash 340 Escalator Brush - For Multiwash 340 II Machines

Variant code: 16-9000900000

Truvox Multiwash 340 Escalator Brush is a **specialist replacement cleaning brush** designed specifically for use with the **Truvox Multiwash 340 II scrubber dryer**. Engineered for escalator and moving walkway cleaning applications, this genuine Truvox accessory provides effective agitation and dirt removal from grooved escalator treads and textured surfaces.

Designed to work with the Multiwash 340 II's contra-rotating brush system, the escalator brush penetrates grooves and surface contours to loosen and lift embedded dirt, dust and debris. This specialised design helps achieve thorough cleaning results while maintaining the appearance and safety of escalators and similar high-traffic surfaces.

Manufactured from durable materials for demanding commercial cleaning environments, the brush offers reliable performance and long service life. It is ideal for facilities management teams and professional cleaners responsible for maintaining cleanliness in retail centres, transport hubs, airports and public buildings.

Sold **individually**, the brush can be used as a replacement or spare component. Please note that **two brushes are required per machine** for full operation.

Product Features
