Flushable V-Fold Hand Towels - 2 Ply - White - Case of 3000

Variant code: 01-338

Flushable V-Fold Hand Towels are hygienic and practical **2 ply folded hand towels** designed to provide efficient hand drying in busy commercial washroom environments. Developed for high-traffic facilities, these absorbent towels combine reliable everyday performance with the added convenience of flushable disposal compatibility.

Manufactured using durable **2 ply white paper**, the towels provide strong absorbency and effective hand drying for employees, visitors and customers. The **V-fold dispensing format** supports hygienic single-sheet presentation, helping reduce waste, minimise cross-contamination and improve washroom efficiency. Their flushable design offers an additional disposal option where suitable, helping support cleaner and more convenient washroom management practices.

Supplied in a practical **case of 3000 towels**, these folded hand towels provide a cost-effective and dependable hygiene solution for commercial facilities requiring reliable hand drying and efficient stock management. Suitable for use in compatible folded towel dispensers, they are ideal for a wide range of professional environments.
