Floor Tool with Long Neck - 300 x 32mm

Variant code: 16-TLS148L

Floor Tool with Long Neck is a **universal vacuum floor nozzle** designed for efficient cleaning of both carpets and hard floors. Featuring a **300mm cleaning width**, an **extended neck elbow** and a **32mm connection**, this versatile floor tool delivers excellent manoeuvrability and effective cleaning performance across a wide range of commercial and domestic vacuum cleaners.

Manufactured from durable black ABS plastic, the nozzle incorporates a convenient **dual pedal system** that allows quick switching between carpet and hard floor cleaning modes. The extended neck provides improved flexibility and easier access beneath furniture and around obstacles while maintaining consistent airflow and suction.

Designed for everyday professional use, this universal floor tool offers reliable durability, smooth operation and easy compatibility with vacuum cleaners using a standard 32mm fitting. It is an ideal replacement nozzle for restoring efficient floor cleaning performance.

Product Features

- Universal 32mm floor tool nozzle
- 300mm cleaning width
- Extended long neck elbow design
- Dual pedal for carpet and hard floor selection
- Durable black ABS plastic construction
- Smooth gliding floor head
- Maintains strong airflow and suction
- Easy to fit and replace

Product Benefits

- **Cleans both carpets and hard floors with one tool**
- **Extended neck improves reach beneath furniture**
- **Dual pedal allows quick floor type adjustment**
- Provides excellent manoeuvrability during cleaning
- Maintains efficient airflow for effective dirt removal
