

70L Recycling Bin Grey Plastic – Open Lid – General Recycling

Variant code: 14-801

This robust **70L Recycling Bin** in a sleek **grey plastic** finish is the ideal solution for your **general recycling** needs. Designed with a convenient **open lid**, it encourages quick and easy disposal of recyclable materials throughout your home or workplace.

Key Features & Benefits:

- **Generous 70 Litre Capacity:** Offers ample space for collecting a significant amount of **household recycling**, reducing the frequency of emptying. Perfect for busy households, offices, schools, and community spaces.
- **Durable Grey Plastic Construction:** Crafted from high-quality, durable **plastic**, this **recycling bin** is built to withstand everyday use. The neutral **grey** colour ensures it will blend seamlessly with various environments and décor.
- **Practical Open Lid Design:** The **open lid** allows for effortless, hands-free disposal of **recyclable waste**, making it incredibly convenient for quick and frequent use. No need to touch a potentially messy lid.
- **Clearly Identifiable for General Recycling:** While the bin itself is **grey**, its purpose is clearly for **general recycling**. You can easily add labels or stickers to further clarify accepted materials such as paper, cardboard, plastic bottles, and cans, promoting proper **waste segregation**.
- **Lightweight and Easy to Handle:** Despite its large capacity, the **plastic recycling bin** remains lightweight, making it easy to move, empty, and clean as needed.
- **Hygienic and Easy to Clean:** The smooth **plastic** surface is easy to wipe clean, ensuring a hygienic solution for managing your **recyclable materials**.
- **Space-Saving Design:** The thoughtfully designed shape ensures it fits neatly in various locations, whether in a kitchen corner, utility room, office breakroom, or outdoor covered area.

- **Promotes Environmental Responsibility:**

By providing a dedicated and convenient solution for **recycling**, this bin encourages responsible waste management and contributes to a greener environment.

Ideal For:

- **Home Recycling:** Kitchens, utility rooms, garages.
- **Office Recycling:** Breakrooms, common areas.
- **School Recycling:** Classrooms, hallways.
- **Community Recycling:** Shared spaces, events.

Invest in this practical and durable **70L Recycling Bin** with an **open lid** in **grey plastic** to streamline your **general recycling** efforts and contribute to a more sustainable future.
