# ABEK2P3 Combination Filter Universal Thread - Black

**Variant code: 22-P976BKR**

This anti-gas and anti-particles filter is equipped with a standard DIN threaded connection conforming to EN 148-1 and can be used on full face masks with the same connection. It protects from organic and inorganic acid gases and vapours, sulphur dioxide, ammonia and its derivatives. Classified as a class 2 filter for gases and class 3 for particles, it can be used to protect against harmful substances, solvents, toxic particles and micro-organisms.
