

Aerated Chefs Jacket – L – White

Variant code: 22-C676WHRL

When it gets hot in the kitchen, this style provides the ideal solution. Featuring an aerated mesh section at the back, this jacket came out on top for breathability when wear tested in kitchens. Stylish piping, chest and sleeve pockets, along with button tape add to the overall style of this garment. Made from our excellent performing cotton rich fabric with anti-crease finish.
