

Aerosol Solutions Clear Spray Grease Aerosol – 500ml

Variant code: 06-0508

Multipurpose clear grease repels water and salt and is resistant to heat while protecting against corrosion.

Clear coverage for use when minimal appearance is required. Provides a long lasting lubrication that is suitable for brake linkages, gears and springs.

Features:

- Excellent lubrication
- Protects against corrosion
- Repels water and salt
- Suitable for brake linkages, gears and springs
