

Anglian Robust Poolside Heavy Duty Descaler – 2 x 5L

Variant code: 05-859

An excellent multi-purpose heavy duty descaling product with very unique properties.

Extremely safe in use and ideal for pool and spa areas.

Contains a wetting agent that penetrates grease, dealing very well with body fats, soap scums and hair etc.

Non-fuming, fully biodegradable, non-corrosive to skin and mild metals. Low foam formulation means safe and efficient use when machine cleaning.
