

Ariel Laundry Pods – Pack of 30

Variant code: 08-246

Delivers the great performance of Ariel as low as 30° for most of your loads. Great cleaning results even without pre-washing or pre-soaking to help you save water and energy. Each pod is pre-dosed with just the right amount of detergent for 1 wash. Phosphate and bleach free. Recommended for professional use. Super concentrated multi compartment detergent. It has 3 compartments of detergent for a 3in1 power: it cleans deep down, lifts off stains and brightens. Each Ariel 3in1 pod is pre-dosed, so there is no need to measure and pour. One unit per wash (in soft to medium water and for light to medium soiled loads). The innovative film dissolves completely in contact with water to release the powerful technologies to tackle broad stain range, providing you with the best liquid detergent from Ariel, with just the right amount of detergent.
