Astonish Mould and Mildew Cleaner - 750ml Trigger Spray

Variant code: 05-359

Astonish Mould & Mildew Cleaner - 750ml Trigger Spray is a **powerful bleach-based mould and mildew stain remover** specially developed to tackle stubborn black mould, mildew and unsightly staining on suitable household hard surfaces. Its fast-acting formula helps remove mould and mildew stains in minutes, restoring a cleaner, brighter appearance to bathrooms, washrooms and other damp-prone areas. Designed for convenient household-scale cleaning, it combines **effective stain removal, antibacterial cleaning and no-scrub convenience** in one ready-to-use product.

The **active cleaning formula** works on ingrained mould and mildew staining, helping break down discolouration without the need for intensive scrubbing. Simply **spray, leave and wipe clean** for straightforward treatment of affected areas. The cleaner also carries a **99.9% bacteria kill claim** when used according to the product instructions, helping maintain hygienically clean surfaces. With regular use, its active formula is designed to **help prevent the return of mould staining**, supporting longer-lasting cleanliness in areas exposed to moisture and condensation.

Supplied in a convenient **750ml trigger spray bottle**, this ready-to-use cleaner is suitable for a wide range of compatible surfaces, including **walls, uPVC window frames, glass, plastic shower curtains, bathroom tiles, grout, silicone sealant, concrete, sinks and plugholes**. Its targeted spray application makes it particularly useful around shower enclosures, tile joints, window frames and other areas where mould staining commonly develops. For best results, spray from approximately **20–25cm**, leave for up to **5 minutes**, then wipe clean and rinse thoroughly, following the current product label. Always check surface compatibility before application.

Product Features

- **Powerful mould and mildew stain remover** for household-scale cleaning
- **Fast-acting formula** removes mould and mildew stains in minutes
- **Bleach-based cleaning action** helps

difficult-to-reach areas
- **Ready-to-use formula** eliminates measuring and mixing
- **Simple application process** supports efficient cleaning routines
- **Suitable for household-scale treatment** of localised mould staining
- **750ml capacity** provides a practical format for regular maintenance
- **Combined stain removal and antibacterial action** supports cleaner, fresher surfaces

Technical Characteristics

- **Product Range:** Astonish Mould & Mildew Cleaner
- **Product Type:** Mould and Mildew Stain Remover
- **Primary Function:** Removal of Mould and Mildew Stains
- **Secondary Function:** Antibacterial Hard-Surface Cleaning
- **Formulation:** Bleach-Based Cleaning Solution
- **Cleaning Ingredients:** Chlorine-Based Bleaching Agents and Surfactants
- **Physical Form:** Liquid
- **Colour:** Clear
- **Odour:** Characteristic Bleach Fragrance
- **pH:** 12–13.7
- **Antibacterial Claim:** Kills 99.9% of Bacteria When Used as Directed
- **Target Staining:** Mould and Mildew
- **Target Discolouration:** Black Mould Stains
- **Cleaning Action:** Fast-Acting Bleach-Based Stain Removal
- **Preventative Benefit:** Helps Prevent the Return of Mould Staining with Regular Use
- **Scrubbing Requirement:** No Scrubbing Required for Typical Applications
- **Product Format:** Ready-to-Use Trigger Spray
- **Dilution:** Use Neat
- **Application Distance:** Approximately 20–25cm
- **Application Method:** Spray onto Compatible Affected Surfaces
- **Cleaning Contact Time:** Up to 5 Minutes
- **Removal Method:** Wipe Clean and Rinse Thoroughly
- **Suitable Surface:** Compatible Walls
- **Suitable Surface:** uPVC Window Frames
- **Suitable Surface:** Glass
- **Suitable Surface:** Plastic Shower Curtains

- **Suitable Surface:** Bathroom Tiles
- **Suitable Surface:** Compatible Grout
- **Suitable Surface:** Silicone Sealant
- **Suitable Surface:** Compatible Concrete
- **Suitable Surface:** Sinks and Plugholes
- **Surface Compatibility:** Test on an Inconspicuous Area Before Use
- **Surface Precautions:** Avoid Prolonged Contact with Rubber and Metal Surfaces
- **Fabric Compatibility:** Avoid Contact with Fabrics and Soft Furnishings
- **Application Environment:** Well-Ventilated Areas
- **Hazard Classification:** Irritant
- **Container Capacity:** 750ml
- **Packaging Format:** Single Trigger Spray Bottle
- **Storage:** Store Upright in Original Container According to Label Instructions
- **Chemical Compatibility:** Do Not Mix with Acids, Descalers or Other Cleaning Products
- **Intended Use:** Household-Scale Mould and Mildew Stain Removal
- **Safety:** Follow Current Product Label and Safety Data Sheet

Applications

Ideal for **bathroom mould removal, mildew stain cleaning, grout maintenance and targeted household hard-surface cleaning** in homes, flats, holiday accommodation, hotels, guesthouses and domestic-style washrooms. Particularly useful for treating **bathroom tiles, grout lines, silicone sealant, shower enclosures, plastic shower curtains, uPVC window frames, glass, compatible walls, concrete, sinks and plugholes**, the fast-acting bleach-based formula helps remove stubborn mould staining without intensive scrubbing. Its **750ml trigger spray format** allows convenient treatment of localised problem areas, while regular use helps reduce the return of visible mould staining. For persistent mould caused by condensation, leaks or poor ventilation, the underlying moisture problem should also be addressed.

Property	Value
Appearance	Liquid
pH	12 - 13.7
Do's & Don'ts	Avoid breathing spray. Point spray away from face. Avoid contact
