Bamboo Hiker Sock - Black - Size 10-13/44-48

Variant code: 22-SK24BKR44-48

Naturally anti-bacterial socks that do not require any anti-bacterial chemical agents. These socks are soft and lightweight making them breathable and cool to wear. Excellent wicking properites makes them strong and robust. Hydrophilic materials will absorb moisture leaving your feet cool, dry and warm. Natural deodourising properties will keep your feet odour free.
