C-Fold Hand Towels - 2 Ply - White - Case of 2376

Variant code: 01-324

C-Fold Hand Towels are economical and practical **2 ply folded hand towels** designed to provide hygienic, reliable and cost-effective hand drying in busy commercial washroom environments. Manufactured for professional use, these absorbent towels combine durability, efficient dispensing and dependable everyday performance to support workplace hygiene standards.

Produced using high-quality **2 ply white paper**, the towels deliver excellent absorbency and exceptional wet strength, helping prevent tearing or disintegration during use. Their durable construction means fewer towels are required per hand dry, helping reduce overall paper consumption, operational costs and waste. Designed for use with standard **C-fold towel dispensers**, the towels support hygienic dispensing while minimising unnecessary handling and cross-contamination risks.

Supplied in a practical **case of 2376 towels**, these folded hand towels provide a cost-effective solution for high-traffic commercial washrooms requiring dependable performance, efficient stock management and reliable hygiene consumables.
