

Carefree Satin Floor Polish – 5L (Previously Emulsion)

Variant code: 03-231

Carefree Satin provides superior resistance to everyday traffic marks and scuffing.

The low gloss formula makes daily maintenance much easier than many other products, reducing maintenance by up to 50%.

Carefree Satin can be used on vinyl, rubber, linoleum and other thermoplastic surfaces. Carefree Satin can also be used as a finishing coat on surfaces such as terrazzo, timber and concrete.
