

Carefree Speed Stripper – 5L

Variant code: 03-130

Carefree Speed Stripper is a no scrub, no rinse floor polish speed stripper for use on all resilient floors (excluding wood).

Its revolutionary formulation can cut stripping time by 50% when compared to other polish strippers available on the market.

The solution can be applied with a kentucky mop or polish applicator, and can be used with or without the help of a rotary floor machine.
