Catering Tea Towels - Pack of 10

Variant code: 12-630

Catering Tea Towels are durable and highly absorbent kitchen towels designed for professional catering, hospitality and domestic kitchen environments. Manufactured to provide reliable drying and wiping performance, these practical tea towels offer an economical and dependable solution for busy commercial kitchens and everyday food preparation areas.

Designed for repeated daily use, these quality catering tea towels efficiently dry crockery, glassware, cookware and kitchen surfaces while maintaining excellent durability and absorbency. Their hard-wearing fabric construction makes them suitable for demanding catering environments including restaurants, cafés, hotels, canteens and food preparation areas. Combining performance with value for money, these tea towels provide a practical and cost-effective kitchen essential.

Supplied in a convenient **pack of 10 tea towels**, these reusable kitchen towels offer a reliable and economical drying solution for professional chefs, catering teams, hospitality businesses and domestic households.
