

Blue Roll – Centrefeed – 1 Ply – 300m – Case of 6

Variant code: 01-241

Blue Roll Centrefeed is a practical and high-capacity **1 ply wiping paper solution** designed for professional cleaning, wiping and drying applications. Engineered for efficient everyday use, these centrefeed rolls provide reliable performance across a wide range of commercial, industrial and food preparation environments.

Each roll offers an extended **300 metre length**, helping reduce refill frequency and improve operational efficiency in high-use workplaces. The **1 ply construction** delivers dependable absorbency for routine wiping and cleaning tasks while maintaining economical paper consumption. Designed for use with compatible centrefeed dispensers, the rolls provide convenient dispensing and are suitable for environments where hygiene and practicality are essential.
