

Cif Cream Cleaner – 500ml

Variant code: 06-402

Cif Cream Original, with its refreshing floral fragrance, is made with 100% natural cleaning particles derived from limestone to provide gentle and reliable cleaning. This multipurpose Cif cream surface cleaner removes 100% of tough dirt for a beautifully clean finish on a range of surfaces.

It can be used as a kitchen cleaner to clean hobs, sinks, and kitchen tiles, and it makes the perfect bathroom cleaner. What's more is that this bottle of Cif Cream is made with recycled plastic** and is 100% recyclable, all you have to do is remove the sleeve.

! All you'll need is a tiny squirt of the Cif cream cleaner to completely remove all kinds of dirt, even those that seem impossible to clean such as encrusted grease, grimy mud on trainers, or dirty marks from walls.

How to use Cif Cream Original Multi-Purpose Cleaner:

- Apply to surface using a damp cloth, then simply wipe over and gently rinse away.
- Do not use on linoleum, leather, or textiles, and avoid prolonged contact on painted wood and aluminium.
- For delicate surfaces and materials, any new/unusual type of usage, painted surfaces, and aluminium, test Cif cream cleaner on an inconspicuous area first, rinse immediately after use, and avoid heavy rubbing.
- Suitable for vitro-ceramic (leave the plate to cool before cleaning thoroughly).
