# Cif Cream Cleaner - 500ml

**Variant code: 06-402**

**Cif Cream Original Multi-Purpose Cleaner - 500ml** is a powerful yet gentle **multi-purpose cream cleaner** designed to remove stubborn dirt, grease and grime from a wide range of household surfaces. Featuring a **refreshing floral fragrance**, it delivers reliable everyday cleaning for kitchens, bathrooms and other areas around the home.

Formulated with **100% natural cleaning particles derived from limestone**, Cif Cream Original combines effective dirt removal with gentle cleaning action. Its concentrated cream formula is designed to remove **100% of tough dirt**, tackling encrusted grease, stubborn marks and everyday grime to leave surfaces beautifully clean.

Supplied in a convenient **500ml bottle**, only a small amount is needed for effective cleaning. The bottle is made using **recycled plastic** and is **100% recyclable once the sleeve is removed**, supporting more responsible household cleaning.

- **Recyclable packaging** supports responsible waste disposal.

## Technical Characteristics

- **Brand:** Cif
- **Range:** Cream Original
- **Product Type:** Multi-Purpose Cream Cleaner
- **Volume:** 500ml
- **Form:** Cream
- **Fragrance:** Floral
- **Cleaning Particles:** 100% Natural, Derived from Limestone
- **Primary Function:** Removal of Dirt, Grease and Grime
- **Suitable Surfaces:** Hobs, Sinks, Kitchen Tiles and Suitable Bathroom Surfaces
- **Application:** Damp Cloth
- **Dilution:** Not Required
- **Packaging:** Recycled Plastic Bottle, Recyclable After Sleeve Removal
- **Pack Quantity:** 1 x 500ml

## Applications

**Area of Use:** Ideal for **kitchens, bathrooms, sinks, hobs, tiles and other suitable household surfaces**. It can also help remove stubborn marks from compatible walls and dirt from suitable footwear materials.

**How to Use:** Apply a small amount of **Cif Cream Original** to the surface using a damp cloth. Wipe gently to remove dirt and grime, then rinse thoroughly with clean water. For **vitro-ceramic hobs**, allow the surface to cool completely before cleaning.

**Surface Precautions:** Do not use on **linoleum, leather or textiles**. Avoid prolonged contact with painted wood and aluminium. For delicate, painted or unfamiliar surfaces, test on an inconspicuous area first, rinse immediately after use and avoid heavy rubbing.
