GrimeEez Cleaning & Degreasing Graffiti Remover Wipes - Tub of 150

Variant code: 02-RH96

The **GrimeEez Cleaning & Degreasing Graffiti Remover Wipes** provide a fast, convenient and effective solution for removing graffiti, paint and stubborn marks from **flat, non-porous surfaces**. Supplied in a **tub of 150 ready-to-use wipes**, these powerful moist wipes utilise an advanced formulation that **dissolves graffiti rather than burning it**, helping to protect surfaces while delivering professional cleaning results. Ideal for facilities management, public transport operators and maintenance teams, they offer an efficient solution for restoring cleanliness without the need for additional cleaning products.

Unlike traditional graffiti removers that require liquids, sprays or specialist equipment, GrimeEez wipes are supplied pre-moistened and ready for immediate use. Their powerful cleaning and degreasing formulation effectively removes paint, ink and graffiti from smooth surfaces while eliminating the need to cordon off cleaning areas during use. This makes them particularly suitable for busy public spaces where cleaning needs to be completed quickly with minimal disruption.

Designed for demanding commercial and municipal environments, the wipes are ideal for maintaining the appearance of public facilities, transport infrastructure and communal areas. The resealable dispensing tub keeps wipes moist and protected between uses, ensuring reliable performance whenever required.

Product Features

- Professional graffiti remover and degreasing wipes
