

Cleaning Floor Pad – 20" – Blue

Variant code: 03-S20B

Often overlooked when floor cleaning pads are talked about. Halfway between Green and Red it is a very useful Polishing and cleaning pad.

Perfect for spray cleaning a polished floor with heavy scuff marks which makes it ideal for school corridors. Also can be used for scrubbing/cleaning delicate floors where you might be nervous of using Green.

Use with slow or high speed Cleaning Machine or Scrubber Dryer 100-400 rpm.
