

Clinell® Universal Wipes – Pack of 200

Variant code: 02-605030

clinell® UNIVERSAL WIPES

clinell wipes are a single, universal product for surface disinfection and cleaning of non-invasive medical devices. Containing a unique, patented antimicrobial formula they can be used as a skin friendly, disinfectant and detergent wipe – replacing the need for multiple sanitiser wipes and antibac surface cleaners.

Disinfecting wipes proven to kill at least 99.999% of germs*

clinell® Universal Detergent Wipes are one of the most effective antimicrobial products on the market.

*According To European Standard Tests: EN1275, EN1276, EN12054, EN14245, EN14476, EN14561, EN14562 & EN14563.

This revolutionary formula contains a mix of different biocides. Each biocide has a different mechanism of action, reducing the risk of germs developing resistance.

An excellent product to counteract healthcare associated infections (HCAI), preventing and reducing rates of HCAI involves infection prevention and control.
