### Ensure Safe and Compliant Clinical Waste Disposal with Our 10kg Orange Waste Sacks

Effectively manage and dispose of clinical waste with our high-quality, durable **Clinical Waste Sacks**. This convenient **box of 100** orange sacks, each with a generous **90-litre capacity**, provides a reliable and compliant solution for healthcare facilities, laboratories, dental practices, veterinary clinics, and any environment generating potentially hazardous waste.

#### Key Features and Benefits:

- **Highly Visible Orange Colour:** The distinctive **orange colour** of these sacks clearly identifies them as **clinical waste bags**, ensuring proper segregation and handling in accordance with regulations. This visual cue minimises the risk of accidental mishandling and promotes safety.
- **Robust 10kg Capacity:** Designed to safely hold up to **10 kilograms** of waste, these sacks offer ample space for various types of non-sharp clinical waste, including contaminated dressings, swabs, and other medical disposables.
- **Generous 90 Litre Volume:** Each sack boasts a substantial **90-litre capacity**, reducing the frequency of bag changes and improving efficiency in waste management processes.
- **Convenient Roll Format:** Supplied in a **box containing 4 rolls**, with **25 bags per roll**, these sacks are easy to dispense and store, saving valuable space and ensuring a readily available supply.
- **Durable and Tear-Resistant Material:** Manufactured from strong and tear-resistant polyethylene, these **clinical waste bags** are designed to withstand the rigours of handling and transportation, minimising the risk of leaks and spills.
- **Essential for Infection Control:** Proper

disposal of **medical waste** is crucial for maintaining hygiene and preventing the spread of infections. Our **orange clinical waste sacks** play a vital role in adhering to strict infection control protocols.

- **Compliant with Regulations:** These **orange waste bags** are designed to meet relevant regulations for the segregation and disposal of clinical waste, helping your organisation maintain compliance and avoid penalties.
- **Cost-Effective Solution:** The **box of 100 clinical waste sacks** offers a cost-effective solution for managing your waste disposal needs, providing a large quantity of high-quality bags at a competitive price.
- **Ideal for Various Settings:** Suitable for a wide range of environments including hospitals, GP surgeries, care homes, research facilities, beauty salons, tattoo parlours, and more.
