

Clinical Waste Sacks – Heavy Duty – 5kg – Roll of 25/20L – Yellow

Variant code: 18-CX25/CWHD2

Heavy Duty Yellow Clinical Waste Sacks – 20 Litre, 5kg Capacity (Roll of 25)

Ensure safe and compliant disposal of clinical waste with these robust, yellow 20-litre sacks. Supplied in a convenient roll of 25, these heavy-duty bags offer a 5kg capacity for secure containment.

Maintain the highest standards of hygiene and safety in your healthcare facility, laboratory, or any environment producing clinical waste with our **Heavy Duty Yellow Clinical Waste Sacks**. Designed for reliable and compliant waste management, these **20-litre clinical waste bags** are manufactured to withstand the demands of daily use.

Each sack in this **roll of 25 clinical waste bags** boasts a substantial **5kg weight capacity**, making them ideal for the disposal of a variety of non-sharp clinical waste materials. The distinctive **yellow colour** ensures easy identification and segregation of clinical waste streams, adhering to standard healthcare protocols and regulations.

Key Features:

- **Heavy Duty Construction:** Engineered for strength and tear resistance, these **heavy-duty waste sacks** prevent leaks and spills, ensuring a safe and hygienic environment.
- **Optimal 20 Litre Capacity:** The practical **20L size** is suitable for a range of waste disposal needs in medical, dental, veterinary, and laboratory settings.
- **Convenient Roll of 25:** Supplied in an easy-to-manage **roll of 25 sacks**, providing a cost-effective and readily available supply.
- **High 5kg Weight Limit:** Each **5kg capacity sack** can securely hold a significant amount of clinical waste, reducing the frequency of bag changes.
- **Standard Yellow Colour:** The universally recognised **yellow clinical waste bags** facilitate proper waste segregation and

handling, promoting safety and compliance.

- **Reliable and Durable:** These **yellow sacks** are manufactured from high-quality materials to ensure dependable performance.
- **Essential for Clinical Environments:** An indispensable item for hospitals, clinics, nursing homes, dental practices, veterinary surgeries, laboratories, and any setting generating **clinical waste**.
- **Promotes Safe Waste Disposal:** Using designated **clinical waste sacks** helps prevent the spread of infection and ensures responsible waste management.

Ensure the safe and compliant disposal of your clinical waste. Order your **Heavy Duty Yellow Clinical Waste Sacks (20 Litre, 5kg Capacity – Roll of 25)** today!
