

Clover UB70 Ultra Dose Air Conditioner Concentrate – 2L

Variant code: 07-SD70

For use after dilution through the Ultrablend 4 and Ultra Dose systems.

A powerful, universally acceptable, oriental spice perfume in a slow release water-soluble carrier for long-lasting results.

Used diluted through a trigger spray, UB70 enhances the environment in any establishment when sprayed onto entrance matting or into the corners of rooms.

Ideal for hotels, conference rooms, schools and all public buildings.
