Conquer Heavy-Duty Waste with Our Extra Strong 140L Compactor Sacks (Box of 100)

Tired of flimsy bin bags that split under pressure? Upgrade to our **Extra Heavy Duty Compactor Sacks**, the ultimate solution for managing substantial and weighty waste. This bulk box of **100 black sacks**, each with a generous **140-litre capacity**, is specifically engineered to handle loads up to **20kg** without tearing or leaking.

Key Features & Benefits:

- **Unrivalled Strength:** Crafted from premium, high-density polyethylene, these **heavy-duty bin bags** offer exceptional tear and puncture resistance. Say goodbye to messy spills and the frustration of double-bagging.
- **Extra Large 140L Capacity:** Each sack boasts a significant **140-litre volume**, making them ideal for demanding environments where large quantities of waste are generated. Perfect for commercial, industrial, and heavy household use.
- **Guaranteed 20kg Load Capacity:** Independently tested and rated to safely hold up to **20 kilograms** of waste. Feel confident in the strength and reliability of these **strong refuse sacks**.
- **Space-Saving Compactor Compatibility:** Specifically designed for use in **compactors**, these sacks can withstand the compression forces, maximising waste volume reduction and saving on disposal costs.
- **Opaque Black Design:** The discreet **black colour** helps to conceal the contents, ensuring a tidy and professional appearance.
- **Bulk Box of 100:** This cost-effective **box of 100 sacks** provides a long-lasting supply, reducing the need for frequent reordering and saving you money.
- **Versatile Application:** Ideal for a wide range of demanding applications, including:

- **Commercial Waste Management:** Offices, retail spaces, restaurants, and hospitality.
- **Industrial Waste Disposal:** Factories, warehouses, and manufacturing facilities.
- **Construction and Demolition Sites:** Handling heavier debris and materials.
- **Heavy Household Waste:** Garden waste, bulky items, and general refuse.
- **Reliable and Durable:** Trust in the quality of these **extra strong bin liners** to consistently perform, ensuring efficient and hassle-free waste disposal.
