Variant code: 18-LD23C

Conquer Tough Waste with Our Extra Heavy Duty 140L Compactor Sacks - Built to Last!

Tired of flimsy bin bags that split and leak under pressure? Upgrade to our **Extra Heavy Duty Compactor Sacks**, the ultimate solution for demanding waste disposal needs. This robust box of 100 clear, 140-litre capacity sacks is specifically engineered to handle even the heaviest and bulkiest refuse, offering unparalleled strength and reliability.

Key Features & Benefits:

- **Unrivalled Strength:** Crafted from premium, extra-thick polythene material, these sacks boast exceptional tear and puncture resistance. Say goodbye to messy spills and frustrating breakages, even when dealing with sharp or heavy items.
- **High Capacity (140 Litres):** Each sack offers a generous 140-litre capacity, minimising the need for frequent bag changes and maximising efficiency, whether for household, commercial, or industrial use.
- **20kg Weight Capacity:** These heavy-duty sacks are rigorously tested and guaranteed to safely hold up to 20kg of waste, providing peace of mind when disposing of substantial loads.
- **Clear Visibility:** The transparent design allows for easy identification of contents, which is particularly useful for waste sorting, security checks, or ensuring compliance with specific disposal regulations.
- **Perfect for Compactors:** Specifically designed for use in compactor bins, these sacks can withstand the increased pressure and demands of waste compaction processes, ensuring efficient and secure waste management.
- **Versatile Application:** Ideal for a wide range of environments, including:
