

Compostable Liner – 25L – Roll of 26

Variant code: 18-VBL25

Compostable Bin Liners – 25 Litre – Pack of 26 – Environmentally Friendly Waste Disposal

Looking for a sustainable and eco-conscious way to manage your household or kitchen waste? Our **Compostable Bin Liners** offer the perfect solution. Designed to fit standard 25-litre bins, this convenient roll of 26 liners allows you to easily collect organic waste for composting, reducing your environmental impact and contributing to a greener planet.

Key Features & Benefits:

- **Certified Compostable:** Made from **biodegradable and compostable materials**, these liners meet stringent international standards (e.g., EN13432) ensuring they break down naturally in a composting environment without leaving harmful residues.
- **Perfect Fit for 25L Bins:** Specifically designed for bins with a **25-litre capacity**, ensuring a snug and secure fit to prevent leaks and spills.
- **Convenient Roll of 26:** Each roll contains **26 durable liners**, providing you with a reliable supply for your composting needs.
- **Strong and Reliable:** Despite being compostable, these liners are surprisingly **strong and tear-resistant**, effectively containing your food scraps, garden waste, and other compostable materials.
- **Hygienic Waste Disposal:** Using these liners keeps your bin clean and reduces unpleasant odours, making waste management more hygienic.
- **Environmentally Responsible Choice:** By choosing our **eco-friendly bin bags**, you're actively participating in reducing landfill waste and promoting sustainable practices.
- **Ideal for Kitchen & Garden Waste:** Perfect for collecting **food waste**, fruit and vegetable peelings, coffee grounds, tea bags, grass cuttings, and other

- organic waste** suitable for composting.
- **Breathable Material:** The **breathable nature** of the compostable material helps to reduce moisture build-up and prevent anaerobic decomposition, leading to better quality compost.
 - **Easy to Use:** Simply place a liner in your 25L bin, fill it with compostable waste, and when full, tie the top securely and transfer it to your compost bin or composting system.

Make the switch to our Compostable Bin Liners and take a positive step towards a more sustainable future! Order your roll of 26 today and experience the convenience and environmental benefits of responsible waste management.
