Coreless Toilet Roll 2 Ply - 100m - White - Case of 36

Variant code: 01-690

Coreless Toilet Roll is a high-capacity **2 ply toilet tissue solution** designed for efficient and economical use in commercial and high-traffic washroom environments. Featuring a coreless construction, these rolls help reduce waste while maximising the amount of usable paper per roll, supporting more sustainable and cost-effective washroom management.

Each roll provides **100 metres of soft white 2 ply toilet tissue**, helping minimise refill frequency and reduce maintenance time in busy environments. The coreless design eliminates cardboard waste, helping reduce disposal requirements while also improving storage efficiency by removing unnecessary packaging components. The 2 ply construction offers a dependable balance of softness, absorbency and strength suitable for everyday washroom use.

Supplied in a bulk case of 36 rolls, this product is ideal for facilities requiring reliable toilet tissue availability and efficient stock management. The long-roll format helps maintain continuous supply in busy washrooms while reducing operational servicing demands.
