Couch Roll - Blue - 20" - 2 Ply - Case of 12

Variant code: 02-135

Couch Roll Blue 2 Ply is a high-quality disposable paper roll designed to provide hygienic surface protection for treatment couches, examination tables and first aid beds. Supplied as a **case of 12 individually wrapped rolls**, each **20-inch (approximately 500mm)** wide roll is manufactured from strong, highly absorbent paper, making it ideal for healthcare, first aid and commercial environments where cleanliness and convenience are essential.

Constructed with a durable **2-ply** design, the couch roll offers excellent strength and absorbency to protect surfaces from moisture and contamination during treatments and examinations. Each roll is **individually wrapped** to maintain hygiene during storage and handling, ensuring every roll remains clean until required. The distinctive blue colour also makes it easy to identify in busy medical and workplace environments.

Designed for professional use, the Blue 2 Ply Couch Roll delivers reliable hygiene protection for first aid rooms, clinics and treatment areas, providing an economical and practical solution for maintaining clean examination and treatment surfaces.
