Couch Rolls - Blue - 10" - 2 Ply - Case of 24

Variant code: 02-136

Couch Roll Blue 2 Ply is a high-quality disposable paper roll designed to provide hygienic surface protection for treatment couches, examination tables and first aid beds. Supplied as a **case of 24 individually wrapped rolls**, each **10-inch (approximately 250mm)** wide roll is manufactured from strong, highly absorbent paper, making it ideal for healthcare, first aid and commercial environments where cleanliness and convenience are essential.

Constructed with a durable **2-ply** design, the couch roll offers excellent strength and absorbency to protect surfaces from moisture and contamination during treatments and examinations. Each roll is **individually wrapped** to maintain hygiene during storage and handling, ensuring every roll remains clean until required. The distinctive blue colour allows for easy identification in busy clinical and workplace environments.

Designed for professional use, the Blue 2 Ply Couch Roll provides a reliable and economical hygiene solution for first aid rooms, clinics and treatment areas. Its compact 10-inch width is particularly suited to smaller examination beds, headrests and treatment surfaces where effective protection and easy handling are required.
