Couch Rolls - White - 2 Ply - 20" - Case of 9

Variant code: 02-131

Couch Roll White 2 Ply is a high-quality disposable paper roll designed to provide hygienic surface protection in healthcare, beauty and commercial environments. Supplied as a **case of 9 rolls**, each **20-inch (approximately 508mm)** wide roll is manufactured from strong, highly absorbent paper to offer reliable protection and comfort during treatments, examinations and general workplace use.

Constructed with a durable **2-ply** design, the couch roll combines strength with excellent absorbency to effectively protect treatment couches, examination tables and work surfaces from moisture and contamination. The bright white finish provides a clean, professional appearance, while the disposable format supports high standards of hygiene by allowing fresh paper to be used for each patient or client.

Ideal for busy professional environments, this couch roll is particularly suited to **first aid rooms**, medical practices, beauty salons and therapy clinics where cleanliness, convenience and efficient stock management are essential.
