Craftex Hose with Cuff

Variant code: 16-3452GR

Craftex Replacement Hose with Cuff is a **durable replacement vacuum hose** designed to restore reliable suction performance and flexibility to compatible Craftex vacuum cleaners. Supplied complete with a fitted hose cuff, this replacement assembly provides a secure connection between the vacuum cleaner and cleaning accessories, ensuring efficient airflow and dependable day-to-day operation.

Manufactured from flexible, hard-wearing materials, the hose is designed to withstand the demands of regular commercial and domestic cleaning. Its lightweight construction allows for smooth manoeuvrability around furniture, fixtures and confined spaces while maintaining consistent suction throughout the cleaning process.

The integrated hose cuff ensures quick and secure attachment to compatible vacuum equipment, making installation simple and reducing downtime during servicing or maintenance. Ideal for replacing worn, cracked or damaged hoses, it helps extend the service life of your vacuum cleaner while maintaining optimum cleaning performance.

Suitable for a wide range of general cleaning applications, the Craftex Replacement Hose with Cuff is a practical and reliable solution for maintaining efficient vacuum operation.
