

Craftex Solvent Spot Remover - Orange Gel - Case of 6x1L

Variant code: 09-C0066

2San Orange Gel is a thick natural solvent gel spot remover with 'fresh orange' fragrance for removal of stains from most carpets, fabrics and other surfaces. Remains on top of stains such as chewing gum, tar, blue tack, oil, grease and general spots etc. Will not affect bitumen and rubber backed carpets. Ready to use.

Instructions for use:

Shake well before use. Apply to stain via nozzle. Leave for a few minutes. Extract out with water or absorb with white terry towel. Repeat as necessary.
