Blue Dot Crepe Bandage - 15cm x 4.5m

Variant code: 21-660

Crepe bandages provide padding and protection, whilst also providing light support to sprains and strains.

They have a strong weave and high elasticity which make them easy to apply and comfortable to wear.

Choose to use either a safety pin or knot to secure bandage in place. Available in varying widths to suit all applications.

Features:

- Provides support, padding and protection
- High stretch
- Conforms well to the body
- Soft and supple

Available in 4 sizes
