SC Johnson Deb Estesol® FX™ - Power Foam Hand Cleaner Dispenser - 1L

Variant code: 28-EFM1LDSEN

SC Johnson Deb Estesol FX Power Foam Dispenser is a **professional manual foam soap dispenser** designed specifically for use with **Deb Estesol FX 1L Light Duty Hand Cleaner cartridges**. Engineered for reliability, hygiene and ease of use, this dispenser provides controlled foam dispensing for efficient hand cleaning in industrial, commercial and workplace environments.

Designed to complement the Deb Estesol FX hand cleaning system, the dispenser delivers a rich foam application that helps optimise product usage while providing a comfortable and effective hand washing experience. The robust construction is suitable for high-traffic washroom and workplace environments, ensuring dependable performance day after day.

The dispenser features a hygienic sealed cartridge system that minimises contamination risks and simplifies refill replacement. Its user-friendly operation makes it suitable for a wide range of workplace settings, helping support hand hygiene compliance while reducing product waste through controlled dosing.

Ideal for installation in workshops, warehouses, factories, maintenance areas and commercial washrooms, the SC Johnson Deb Estesol FX Power Foam Dispenser provides a practical and professional dispensing solution for light duty hand cleaning programmes.

Product Features
