SC Johnson Deb Refresh™ Clear FOAM - Perfume-Free & Dye-Free Gentle Foam Handwash - 1L

Variant code: 10-CLR1L

SC Johnson Deb Refresh™ Clear FOAM is a professional gentle foam handwash designed to provide **effective everyday hand cleansing for sensitive skin environments**. Developed for offices, education facilities, preschools, food handling environments and public washrooms, the perfume-free and dye-free formulation delivers reliable hygiene performance while helping minimise the risk of skin irritation.

This mild foam handwash is specially formulated without added perfume or dyes, making it ideal for users who are sensitive to fragranced or coloured products. The advanced formulation uses one of the mildest preservative systems available, helping support skin comfort during frequent daily hand washing.

The rich foam formulation is proven to remove **over 99% of dirt and germs** when used properly, delivering effective cleansing performance with just a single pump application. Enriched with skin moisturisers, the soap helps prevent dryness and leaves hands feeling smooth and refreshed after use.

Dermatologist tested and designed for sensitive skin, the product has a **very low allergenic potential** and is suitable for hygiene-sensitive environments. The biodegradable formula rapidly decomposes into simple, non-toxic substances within 28 days or less in accordance with **OECD301F standards**, supporting environmentally responsible washroom management.
