

SC Johnson Deb Estesol® – Light Duty Hand Cleaner – 2L

Variant code: 10-LTW2LTR

SC Johnson Deb Estesol® is a professional **light duty hand cleaner** designed to provide **effective everyday cleansing** in industrial workplace environments. The gentle lotion formulation effectively removes general workplace dirt and grime while supporting frequent daily hand washing and maintaining skin comfort.

Developed for use in general industrial settings, the formulation contains a mild yet effective blend of cleansing agents that help remove light oils, dirt and everyday workplace contamination without being unnecessarily harsh on the skin. The lotion consistency spreads easily across the hands for efficient and comfortable cleaning performance.

The cleaner is lightly fragranced with a fresh scent suitable for both male and female users without leaving a lingering odour after use. Enriched with **glycerin moisturiser**, the formulation helps improve skin hydration, reduce dryness and leave hands feeling smooth and firm following repeated use throughout the working day.

Available in **cases of 6 x 1L cartridges, 2L cartridges and 4L cartridges**, the cleaner is suitable for industrial washrooms, workshops and workplace hygiene stations requiring dependable and skin-friendly light duty cleansing performance.
