SC Johnson Deb Proline Dispenser - 1L Free

Variant code: 28-WHB1LDS

The Proline Curve dispensers are for use in a variety of workplace environments.

Features & benefits

- Long-Life - Dispensers are guaranteed against normal wear and tear, subject to correct installation, usage and dispenser care.
- Robust Design - All SC Johnson Professional dispensers are manufactured from durable plastic components and rigorously tested for high usage environments, providing assurance of quality and longevity.
- BioCote® Protected - Biocote silver ion-based technology effectively reduces bacteria, mould and fungi on the surface of Biocote® treated SC Johnson Professional® dispenser buttons within as little as 2 hours and achieves up to 99.99% reduction over a 24 hour period**. Biocote® maintains its antimicrobial protection for the lifetime of the dispenser button and will not wear off, wash off or leach out.
- Large Push Buttons - Minimise the operation force required to allow easy use by hand or elbow; suitable in hygiene sensitive areas.
- Fixed Product Dose - Delivers the exact amount required, controlling usage and reducing waste.
- Unique Locking Mechanism - Helps prevent unauthorised access, pilferage and product contamination.
- Simple Cartridge Replacement - Designed for exclusive use with SC Johnson Professional skin care system products to enable cartridges to be replaced in seconds, reducing maintenance time and costs.
- Hygienic, Airless Cartridges - The ultrasonically sealed cartridge and pump mechanisms prevent the ingress of air into the cartridge during use to help prevent product contamination and ensure ‘fresh’ product is dispensed every time.
