

SC Johnson Deb InstantFOAM® Non-Alcohol PURE Hand Sanitiser Pump Top – 12 x 400ml

Variant code: 10-AFHS400ML

About InstantFOAM™ Non-Alcohol PURE

InstantFOAM™ Non-Alcohol PURE is a highly effective, perfume-free & dye-free foaming hand sanitiser solution. It's an ideal product for areas where flammable or alcohol-based products are a concern, but critical hand hygiene is required. The foam formula provides the user with control of the product, allows for more hand hygiene moments than liquid products and contains skin conditioner to help prevent dryness.

Where to use: Ideal for situations where critical hand hygiene is required, but alcohol-based/flammable products are a concern, such as: schools, prisons, health institutions and government facilities.

- **Non-alcohol Based** – For use in areas where alcohol is considered a risk or is not preferred.
- **Contains Benzalkonium Chloride**–Product delivers antimicrobial efficacy with reductions of at least 99.99% of organisms tested
- **Contains Aloe Vera**–Helps prevent drying and leaves the skin feeling smooth after use.
- **Perfume-free, dye-free** – Designed for people who are sensitive to perfumes and dyes and who prefer products which do not have these added.
- **Does Not Contain Gelling Agents**–Unlike alcohol gel sanitisers, the product does not contain gelling agents that leave the hands feeling sticky, particularly after multiple uses.
- **Pleasant To Use**–The rich foam is very pleasant for frequent use in-between hand washing, encouraging maximum compliance.
- **Mild Preservative**–Specially formulated with one of the mildest preservatives to reduce the risk of skin irritation from using this product
- *** NSF E3 Rated** – Complies with NSF
