SC Johnson Deb Refresh™ Azure FOAM Wash - Foam Hand Wash - 1L

Variant code: 10-AZU1L

SC Johnson Deb Refresh™ Azure FOAM Wash is a professional foam hand cleansing solution designed to provide **effective and gentle everyday hand washing** in commercial and public washroom environments. Developed for offices, education facilities, daycare settings and public buildings, the rich foam formulation combines effective cleansing with skin-friendly ingredients and a modern signature fragrance.

The luxurious foam soap features a **Fresh Apple fragrance** with clean and caring notes that help elevate the washroom experience while leaving hands feeling refreshed after use. Its mild formulation contains one of the mildest preservative systems available, helping reduce the risk of skin irritation during frequent daily hand washing.

The advanced foam formulation is proven to remove **over 99% of dirt and germs** when used properly, delivering highly effective skin cleansing performance with just a single pump application. Enriched with skin moisturisers, the soap helps prevent skin dryness and leaves hands feeling smooth and comfortable after washing.

Designed with environmental responsibility in mind, the biodegradable formula and its carbon-containing ingredients rapidly decompose into simple, non-toxic substances within 28 days in accordance with **OECD301F standards**. The dermatologically tested formulation is suitable for professional washroom environments requiring dependable, skin-friendly and high-quality hand hygiene solutions.
