

SC Johnson Deb Relax FOAM Wash – 1L

Variant code: 10-RLX1L

Refresh™ Relax FOAM contains skin conditioner and moisturiser to improve skin hydration and prevent drying.

Where to use: Washroom areas in offices and public facilities.

- **‘Relaxing’ Fragrance containing natural essential oils** – The perfume is designed to instill a sense of calm and relaxation using an oriental musk with top notes of tangerine and bergamot, supported by floral undertones and the warmth of clove and cinnamon.
- **Luxurious silky-smooth foam** – Provides a luxurious hand washing experience and leaves skin fresh after use.
- **Soap-free formulation with skin friendly pH value** – Formulated to maintain the skin’s acid mantle; a layer on the surface of the skin which acts to help support the natural bacteria balance.
- **Contains Glycerin and Panthenol skin moisturisers** – A skin moisturiser to help prevent drying and leave the skin feeling smooth after use. Saves water and energy.
- **Foam format can save up to 45% on water consumption and associated energy costs compared to lotion soaps.**
Highly economical – Only one dose is required for an effective hand wash, providing the equivalent of up to 43% more hand washes compared to standard lotion soap.
- **Quick and easy to use** – Dispensed directly as foam on to the hands, reducing the time required to create lather. Quickly and easily rinses away to leave no residues on skin or in the sink.
