

SC Johnson Deb Solopol® Heavy Duty Hand Cleaner – 4 x 4L

Variant code: 10-SOL4LT

Where to use: For use in industrial environments to effectively remove heavy soiling.

- **Highly effective patented solvent-free formula** – Specially formulated to provide the high level of cleaning performance normally associated with solvent based products for general heavy duty cleansing.
- **Unique surfactant system** – An optimised blend of surfactants to create a unique mixed micellar cleaning system which penetrates, lifts and solubilises a wide range of ingrained oil, grease, carbon black, lubricants, water-based lacquers and resins. Minimises re-deposition of soil residue to improve cleaning.
- **Contains Astopon® natural scrubbing agent** – Astopon® scrubbing agent is produced from refined walnut shell powder, a natural source. It is easily rinsed away, helping to prevent blocked drains and pipes.
- **Mild preservative** – Specially formulated with one of the mildest preservatives to reduce the risk of skin irritation from using
- this product.
- **EU Ecolabel Certified** – The product is certified to have a reduced environmental impact through its life cycle, from extraction of raw materials through to its production, use and disposal. www.ecolabel.eu
- **Formulated with a low pH value (4.0–5.0)** – Formulated with a low pH value to help minimise disruption from product use to the skin's acid mantle, a natural layer which acts to help support the natural bacteria balance.
- **Contains emollients** – To help prevent drying, leaving the skin feeling smooth after use.
- **Silicone-free** – The product will have no adverse effect if in contact with surfaces prior to the application of paint or surface coatings.
- **Compatible with rubber production**

processes – Independently tested at the German Institute of Rubber Technology (DIK) and proven to have no negative effect on the vulcanisation process.
