

## SC Johnson Deb Solopol® Heavy Duty Hand Cleaner - 4 x 4L

Variant code: 10-SOL4LT

Where to use: For use in industrial environments to effectively remove heavy soiling.

- Highly effective patented solvent-free formula – Specially formulated to provide the high level of cleaning performance normally associated with solvent based products for general heavy duty cleansing.
- Unique surfactant system An optimised blend of surfactants to create a unique mixed micellar cleaning system which penetrates, lifts and solubilises a wide range of ingrained oil, grease, carbon black, lubricants, water-based lacquers and resins. Minimises re-deposition of soil residue to improve cleaning.
- Contains Astopon® natural scrubbing agent - Astopon® scrubbing agent is produced from refined walnut shell powder, a natural source. It is easily rinsed away, helping to prevent blocked drains and pipes.
- Mild preservative Specially formulated with one of the mildest preservatives to reduce the risk of skin irritation from using
- this product.
- EU Ecolabel Certified The product is certified to have a reduced environmental impact through its life cycle, from extraction of raw materials through to its production, use and disposal. www.ecolabel.eu
- Formulated with a low pH value (4.0-5.0) – Formulated with a low pH value to help minimise disruption from product use to the skin's acid mantle, a natural layer which acts to help support the natural bacteria balance.
- Contains emollients To help prevent drying, leaving the skin feeling smooth after use.
- Silicone-free The product will have no adverse effect if in contact with surfaces prior to the application of paint or surface coatings.
- Compatible with rubber production

**processes –** Independently tested at the German Institute of Rubber Technology (DIK) and proven to have no negative effect on the vulcanisation process.
