

SC Johnson Deb Swarfega Jizer Aqua – 5L

Variant code: 06-JIB60K

Swarfega Jizer Bio® is a powerful water-based degreasing formulation that removes heavy grease and oil from machines, components and floors.

For use on a wide range of surfaces including plastic, painted, rubber, concrete, asphalt and metal.

Can be used neat or diluted depending on the level of soiling for maximum cost efficiency. Low odour making it pleasant to use and safe in confined spaces. Biodegradable, will degrade in sewage systems. Breaks down the heaviest deposits for powerful cleaning action. Prevents redeposition of soiling.

Suitable for cleaning:

- Engines
- Vehicle components
- Rubbers
- Fibreglass
- Most internal floors
- Concrete surfaces

Property	Value
Appearance	Liquid
Fragrance	Characteristic
