- **'Touch-Free' Dispenser** - Encourages use and minimises any risk of cross-contamination.
- **Versatile** - Can be mounted on walls in washrooms, corridors and hallways or on Deb's free-standing chrome stand.
- **Exceptionally Long Battery Life** - The power provided by 4 D-Cell batteries will provide up to 5 years of operation in typical usage conditions.
- **Reliable** - Uses the latest infra-red sensing technology for reliable operation to prevent misfiring; tolerant to skin colour, temperature, ambient light & humidity.
- **Robust & Long-Life** - Dispensers are guaranteed against normal wear and tear for 5 years, subject to correct installation and dispenser care.
- **Large Capacity** - Cartridges contain 1200ml of Deb Stoko foam hand wash product providing approximately 1714 applications and 1000ml of foam hand sanitisers providing 1429 applications.
- **BioCote® Protected** - Dispensers are protected by BioCote®, a silver-based antimicrobial agent that is incorporated during the manufacturing process and inhibits the growth of a broad spectrum of bacteria and moulds. BioCote® does not rub-off and is effective for the lifetime of the dispenser.
- **Fixed product dose** - Delivers the exact amount required, controlling usage and reducing waste.
- **Unique locking mechanism** - Helps prevent unauthorised access, pilferage and product contamination.
- **Sight glass** - Provides visibility of the level of product in the cartridge which helps identify when product needs replacing.
- **Simple cartridge replacement** - Designed for exclusive use with Deb skin care system products to enable cartridges to be replaced in seconds, reducing maintenance time and costs.
- **Hygienic, airless cartridge** - The
