

SC Johnson Deb TouchFREE Dispensers - 1.2L -White/Chrome

Variant code: 28-TF2WHI

- 'Touch-Free' Dispenser Encourages use and minimises any risk of crosscontamination.
- Versatile Can be mounted on walls in washrooms, corridors and hallways or on Deb's free-standing chrome stand.
- Exceptionally Long Battery Life The power provided by 4 D-Cell batteries will provide up to 5 years of operation in typical usage conditions.
- Reliable Uses the latest infra-red sensing technology for reliable operation to prevent misfiring; tolerant to skin colour, temperature, ambient light & humidity.
- Robust & Long-Life Dispensers are guaranteed against normal wear and tear for 5 years, subject to correct installation and dispenser care.
- Large Capacity Cartridges contain 1200ml of Deb Stoko foam hand wash product providing approximately 1714 applications and 1000ml of foam hand sanitisers providing 1429 applications.
- BioCote® Protected Dispensers are protected by BioCote®, a silver–based antimicrobial agent that is incorporated during the manufacturing process and inhibits the growth of a broad spectrum of bacteria and moulds. BioCote® does not rub–off and is effective for the lifetime of the dispenser.
- Fixed product dose Delivers the exact amount required, controlling usage and reducing waste.
- Unique locking mechanism Helps prevent unauthorised access, pilferage and product contamination.
- Sight glass Provides visibility of the level of product in the cartridge which helps identify when product needs replacing.
- Simple cartridge replacement –
 Designed for exclusive use with Deb skin
 care system products to enable
 cartridges to be replaced in seconds,
 reducing maintenance time and costs.
- Hygienic, airless cartridge The

ultrasonically sealed cartridge and pump mechanisms prevent the ingress of air into the cartridge during use to help prevent product contamination and ensure 'fresh' product is dispensed every time.

 Minimal waste - The air-tight cartridges are designed to collapse to minimise product waste.
