

SC Johnson Deb Tufanega Print & Paintshop Wipes – Heavy Duty Hand Cleaning Wipes (Extra Large) – Tub of 150

Variant code: 10-PHW68J

SC Johnson Deb Tufanega Print & Paintshop Wipes are **extra-large heavy duty hand cleaning wipes** specifically developed for use in printing, paintshop and industrial environments where stubborn contaminants need to be removed quickly and effectively. These tough wet wipes provide a convenient hand cleaning solution when access to traditional washing facilities is limited or unavailable.

Designed to tackle challenging workplace soils, the advanced cleaning formulation effectively removes **inks, resins, adhesives, coatings and many types of paint** from hands, tools and work surfaces. The durable wipe material provides excellent cleaning performance while remaining gentle enough for regular use in demanding industrial settings.

To help maintain skin comfort, the wipes contain **conditioning agents** that assist in keeping skin soft and supple after cleaning. The extra-large wipe size offers increased surface coverage and improved cleaning efficiency, making them particularly suitable for heavily soiled hands and larger cleaning tasks.

Supplied in a convenient **tub of 150 wipes**, the portable dispenser can be positioned close to printing presses, spray booths, paint mixing areas and workstations, ensuring fast access to hand cleaning products exactly where they are needed.

Product Features

- **Heavy duty hand cleaning wipes**
 - **Extra-large, tough wet wipe format**
 - **Removes inks, resins and many paints**
 - **Contains skin conditioners to help maintain skin comfort**
 - **Convenient resealable tub dispenser**
